10 February 2020

Dear Member:

I am contacting current members as it is the time of year to renew your membership in the West End Civic Association (WECA) for 2020. I also wish to let you know that the cost of WECA membership has increased as noted below and that this is the first cost increase in the history of WECA.

For perspective, that \$15 when WECA was founded 20 years ago is worth \$22.90 today. Being a member you are aware of the value and service provided to the neighborhood. As such, I hope you will continue to support WECA in its commitment to protect and enhance the quality of life in the West End through your membership renewal.

2020 annual dues are as follows:

Residents (under 65)                      \$30

Seniors (65+) and Students              \$20

50% discount for same address family members (e.g. senior couple \$20 + \$10 = \$30 total)

Preferred method of payment is PayPal which can be accessed online at [westendcivicasociation.com](http://westendcivicasociation.com). If you prefer to pay by check make it payable to **WECA** and mail to: WECA, PO Box 6503, Boston, MA 02114.

Any changes in your membership information can be forwarded via email to [weca.boston@gmail.com](mailto:weca.boston@gmail.com) or included with your check.

Any questions related to renewing your membership and payment can be referred to the WECA Treasurer, Fred DiFiore, 617-936-4471.

Thank you and looking forward to another successful year!

Fred DiFiore

P.S. If you have already paid your 2020 dues, many thanks.
